Learning Disability Partnership Board

Hello, I'm Jamaila and I'm the Chair of the Learning Disability Partnership Board.

The Board wants to make sure that people with learning disabilities are at the centre of everything we do.

We're making changes to the Board to make sure this happens. Do you want to be part of this new way of working?

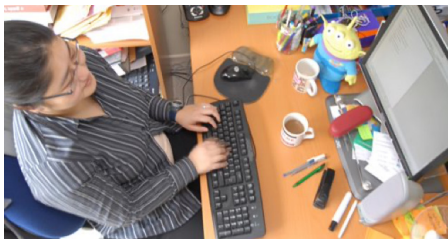

Are you:
Passionate about how
people with learning
disabilities can live their
lives?

Keen to share your
opinions and views on
what is happening in York
for people with learning
disabilities?

Happy to talk about what
happens at the Board
when you attend
different places as part of
your week?

If you want to be part of
making a real difference to
people's lives, both now and
in the future, please email
